Ostrowski Insurance Agency

SECURITY. SIMPLE.

Protection You Can Count On

Providing the right insurance is our commitment with every client. This means your coverage needs are not your neighbors'. Customizing your insurance package allows us to find the right products at the most affordable prices. We protect you from the unexpected and we do it at a great rate.

Insurance for Your Success

Many companies sell insurance, but few are able to provide the knowledge, options, and commitment you will find with us.

We have extensive experience in: Auto, Home, Health and Life, so we can suggest options for all of your needs.

At Ostrowski Insurance, we are committed to building relationships. This is a people business, not a voice mail service. Our guarantee is personal assistance. We are here before you need us, when you need us, and we will be here after you need us too. Safety, security, and dependability are priorities in our agency.

Your Needs. Many Options.

Because we are an independent insurance agency, we can provide options. Our affiliations extend to over **50 insurance providers** giving you choices and pricing that is hard to beat.

DISCIPLINED. MOTIVATED. STRONG V

About John and Ashley Ostrowski

Since 1985, owner, John Ostrowski has worked with families and individuals in Minnesota and Wisconsin to provide the right insurance based on their specific needs. John holds a BS and MS degree in Risk Management from the University of Wisconsin and has earned an MBA from the University of St. Thomas. John specializes in business insurance, as well as annuities and long term care. Daughter, Ashley Ostrowski holds a Bachelor's of Science from the University of Wisconsin and specializes in personal as well as life and health insurance. This unique knowledge of risk management and combined background provides you with the security of knowing you have agents you can trust.

Ostrowski Insurance credits stellar customer service and the ability to provide options for their clients as the two reasons for the agency's longevity.
